**ANDROMEDA CONSULTING** is based in the Principality of Monaco, and it advises corporate clients on business strategy, with a particular focus on mergers & acquisitions. ANDROMEDA CONSULTING is also active in the structuring and financial engineering of other types of sophisticated cross-border transactions.

Since its inception ANDROMEDA CONSULTING has advised clients in transactions worth over \$ 5 billion.

Franco Quillico is the Managing Partner of ANDROMEDA CONSULTING.

### **FRANCO QUILLICO**

Franco Quillico received an MS Summa Cum Laude in electrical engineering from the Polytechnic of Milan, in 1979. In 1984 he graduated with a Master in Business Administration (M.B.A.) in Finance from the Wharton School, University of Pennsylvania, where he was awarded the *Beta Gamma Sigma Scholarship Award* for achieving the highest academic performance in the M.B.A. class.

After an experience in industry, his professional career has been in strategy consulting, with McKinsey and Bain, and in investment banking, with Salomon Brothers.

Mr. Quillico has advised clients in various industries: oil & gas, telecommunications, pharmaceuticals, banking, information services, computers, chemicals, real estate, construction materials, machine tools, automotive, railroad, utilities, air courier, textiles, printing, food processing, fast food, entertainment; and in different countries: Italy, United Kingdom, France, Belgium, Germany, Spain, Monaco, Switzerland, Kingdom of Saudi Arabia and the United States.

Mr. Quillico is *Professor of Finance and Strategy* at MIP, the *School of Management* of the Polytechnic of Milan, *visiting lecturer* at the Wharton School, *Professor of Mergers & Acquisitions* at the International University of Monaco (where, in June 2006, he received the "IUM Outreach Award" for excellence in teaching which was presented to him by Prince Albert II of Monaco) and *Faculty Member* at SCILs in Helsinki.

Mr. Quillico is fluent in Italian, English and French.
